Celebrating  50 years of God's Faithfulness

## Prayer Needs

**Roxanne Schindel** Praise God for His Faithfulness. My recent appointment with the oncologist went very well. I am so touched by our church community who has held me up in fervent prayer since my rather somber diagnosis and even darker prognosis. Where would I be without Him and all of you?

Thank you so much for your prayers!

**Deb Coupland** (Rosemary Moen's daughter) Continue to pray for Deb as she battles cancer, praying for tumors to shrink. She has recently received results from a CT scan which showed no new growth in her tumors, as well as blood work which came back normal. She will receive another CT scan in January.

**Marian Pullman** Marian had her surgery this past week. Pray for continued strength, healing and wisdom for both her and her medical team.
